

From the Desk of the President

Hello Exchange Members,

I wanted to take a few minutes to let everyone know a little about myself. I have lived most of my life in Bolingbrook. My family moved here in 1977 so I have seen how much Bolingbrook has grown over the years. Growing up here I have seen many things both good and bad. I got involved as a teenager with JBSRA. They opened my eyes to how others see the world and how small things can make a difference to the community I lived in. As I got older, I got involved with the Jaycees and helped with a lot of their activities from car shows to the Jubilee. I joined the Exchange Club because I wanted to help make a difference in our community, whether small or large. I want to do my best for our club as President. I tell my employees that my door is always open to anyone to come and talk to me, I want all of you to feel the same. If there is something on your mind, an idea for our club, or just want to get something off your chest, I am here to listen. Please reach out to me if there is anything you need.
